STANDARD BODIES

LOW PROFILE AND TOP OPENING BODIES

132" Service Body shown with rear window protector, a popular option.

Model 132 top opening compartment bodies are divided into two sections with two individual locking lids.

"VH" Models are available in reverse configuration: i.e., "H" compartment configuration on the street side and "V" compartment configuration on the curb side. Specify "HV" when ordering. For compartment configurations other than shown, please consult the factory.

Standard Model Service Bodies include:

- 12" Rotary paddle latch pickup style slam tailgate
- Stainless steel rotary paddle latches on all doors
- Automotive door seals in all compartments
- Four (4) trays for front vertical compartments
- One (1) tray for "V" style horizontal compartment
- Galvanized steel tray dividers
- Shelves in rear vertical compartments
- Spring loaded over-center door retainers on all full-sized vertical doors
- Cable retainers on small vertical doors on "H" configuration
- Cable retainers on curb side and street side horizontal doors
- Bodies are factory prime painted with gray epoxy electrocoat
- Universal "Quick Mount" mounting kit
