 - * Easy Installation
 - * Replacement Parts Available

Smooth Roll

Sioux City Tarp, the industry leader in truck tarp systems, announces their newest addition to their product line. The new Smooth Roll Advantage is custom designed to fit your trailer. The easy installation, speedy operation and competitive pricing make this an all around winner.

The Smooth Roll Advantage easily installs on any side dump trailer. The strong aluminum and steel construction coupled with heavy duty spring assist and quiet operation make this an innovative product for the industry. The system as pictured can roll over heaping loads that conventional hand crank systems cannot.

Forget the miserable exposure to the weather, the inefficient hand crank operation and the cumbersome cranking. This new tarp system helps to eliminate driver fatigue and exposure to the elements. The Smooth Roll Advantage from Sioux City Tarp weighs only 300 pounds and is easily installed on any side dump trailer.

The new Smooth Roll Advantage weighs less than 300 lbs., locks under the driver's side trailer lip and is designed to roll to either side of the trailer. The tarp system as pictured can cover heaping loads that conventional systems cannot.

The new Sioux City Tarp Smooth Roll Advantage System combines simple installation, ease of operation, economical pricing, rapid operation, light weight construction, high strength materials, electronic control direct from the cab and your choice of vinyl or mesh tarps. Combine this with a national distribution network, excellent parts availability you will see why Sioux City Tarp consistently ranks at the top of the charts in product selection and customer service. All systems are manufactured in Sioux City, Iowa and are designed to provide years of maintenance free operation. Demonstrations are available by appointment. See us on the web at www.SiouxCityTarp.com.

Sioux City Tarp has electric roll up tarp systems for today's industry requirements. The new Smooth Roll Advantage is quiet, dependable, fast and attractive. The new Smooth Roll Advantage provides our customers with the versatility and quality they demand. Our systems are designed to provide years of service and withstand severe weather conditions.

Sioux City Tarp has been serving the industry for over 36 years. Our truck tarps are the premiere choice for operators throughout the industry.

You spoke and we listened. You wanted ease of operation, easy installation, strong light weight systems, electric operation from inside the cab, the ability to cover heaping loads, easy repair and replacement, choice of fabrics, economical pricing, the ability to dump to either side, great parts selection and availability and a reliable design. Introducing the Smooth Roll Advantage from Sioux City Tarp.
